

# Sip & Savor

a dessert and beverage sampling charity fundraiser

2018 VENDOR  
INFORMATION PACKET

# DEAR VENDOR,

We're asking for your help to support Harmony House and Rare Breed this spring as an exhibiting vendor at the 'Sip & Savor' dessert and beverage sampling fundraiser. The event is set for Thurs., April 19, 2018 at the Veridian Event Center in Downtown Springfield, Mo.

Organized by Drury Sigma Pi and HelpOut, this event has raised tens of thousands of dollars for local charities over the years while gathering hundreds of area residents to socialize and sample delicious desserts and beverages from some of the finest culinary artists in the Ozarks. Last year's event attracted over 500 attendees and raised \$8,500 for charity.

All event proceeds are split between Harmony House, the area's largest domestic violence shelter, and Rare Breed/The Kitchen, Inc., a resource center for homeless and at-risk youth.

While indulging in tasty treats, Sip & Savor attendees will also have the opportunity to vote for their favorite vendors in a variety of categories. Winning vendors will receive an award of recognition in addition to bragging rights for the next year.
